- Outside & Inside Mats - Cut 2 Wild Wheat cardstock to 5-3/8" x 4-1/8"
 - Outside & Inside Panels - Cut 2 Basic White cardstock to 5-1/4" x 4"
 - Die Cut Leaves - Cut 1 piece of Basic White cardstock to 6" x 6"
 - Smaller Die Cut Leaves - Scraps of Pretty Peacock and Cherry Cobbler
2. Use the Changing Leaves Hybrid Embossing Folder to emboss one of the white panels measuring 5-1/4" x 4". Adhere the embossed panel to one of the Wild Wheat mats, then adhere this unit to the card front.
 3. Place the die from the Changing Leaves Dies that cuts out the three large leaves inside of the Changing Leaves Embossing Folder with the cutting blades face up then place the 6" x 6" piece of white cardstock over top of the dies and carefully close the embossing folder. Run the embossing folder through your die cutting machine to emboss and die cut the three leaves all at one time. **Note that this large die fits snugly onto the opened embossing folder and is placed on the side of the embossing folder with the Stampin' Up! logo and black line. Caution: Always run embossing folders through you machines with the hinge going through your die cutting machine first!**

4. Use Blending Brushes to ink blend ink over the three large leaves that you die cut in Step #3 above. For the largest leaf Blend Wild Wheat ink over the surface. For the maple-like leaf, blend Cherry Cobbler over the leaf and for the remaining leaf, blend Pretty Peacock over the leaf. **Use separate Blending Brushes for each color!**
5. Using the Changing Leaves Dies, die cut the following:
 - Die cut 1 each of the two open leaf images from Pretty Peacock cardstock
 - Die cut 2 of the small, solid leaf images from Pretty Peacock cardstock

- Die cut 1 of the berry sprigs from Cherry Cobbler cardstock
- Die cut 1 round sentiment label from Basic White cardstock

6. First, arrange the three large ink blended leaves onto the card front. You may need to trim the stems of the leaves as necessary. Once happy with the arrangement of the leaves, begin adhering the leaves to the card front. There are a lot of layers on this card front so Stampin' Dimensionals were not used to adhere the leaves. Tuck in the remaining die cut leaves and berry sprig around the three larger leaves and adhere with liquid glue. **Be sure to leave room for the round sentiment label which is placed at the base of the leaf arrangement.**
7. Stamp the "Thank you" sentiment onto the round sentiment label in Pretty Peacock ink. Apply Stampin' Dimensionals to just the bottom half of the sentiment label then adhere the label towards the base of the leaf arrangement on the card front. You can use a small drop of glue to adhere the upper portion of the label to the leaves.
8. Use a Pretty Peacock Stampin' Blend to color a length of Linen Thread. Allow the thread to dry then tie a small bow and adhere the bow to the upper left of the sentiment label using a

Mini Glue Dot.

9. On the inside panel, stamp the "You are amazing in every single way" in Pretty Peacock ink. Stamp the largest leaf image in Wild Wheat onto the lower right corner of the panel. Stamp the smaller leaf onto the lower left corner in Pretty Peacock ink. On the Pretty Peacock leaf, use a Stampin' Blend to color in the leaf (including leaf veins). This gives the leaf a different look and this coloring step is optional. Adhere the panel to the remaining Wild Wheat mat, then adhere this to the inside of the card

10. Partially stamp the smaller leaf onto the corner of the envelope front in Pretty Peacock ink then color in the leaf with a Pretty Peacock Stampin' Blend (optional step). Be sure to place a scrap piece of paper or cardstock inside of the envelope to prevent bleed through of the marker.
11. Partially stamp the large leaf image into the envelope flap using Wild Wheat ink.
12. Adhere multiple Pretty Peacock Adhesive-Backed Sequins to the card front to complete the project.
