Today's card is a Z Fold created from an 11-3/4" x 5-1/4" piece of designer series paper. This card can either be a Z Fold or an Accordion Fold! I used the beautiful Unbounded Beauty 12" x 12" Designer Series Paper, Flowers of Beauty Bundle and the Unbounded Love Bundle to create the card. Let's take a look!

## Supplies:

- Flowers of Beauty Bundle
- Unbounded Love Bundle
- Unbounded Beauty 12" x 12" Designer Series Paper
- Deckled Rectangles Dies
- Petal Pink & White Diagonal Trim
- 2024-2026 In Color Shimmer Gems
- Cardstock: Petunia Pop, Peach Pie, Pretty in Pink, Shy Shamrock, Basic White
- Ink: Tuxedo Black Memento Ink, Petunia Pop, Shy Shamrock
- Stampin' Blends: Petunia Pop

## 1. Card Cuts:

- Card Base - Cut 1 Petunia Pop cardstock to 5-1/2" x 4-1/4". There are no score lines.
- DSP - Cut 1 Unbounded Beauty Designer Series Paper to 11-3/4" x 5-1/4". Score at 1-3/4", 4-3/4", and 7-3/4"
- Mat - Cut 1 Peach Pie cardstock to 5-3/8" x 4-1/8"

- Deckled Rectangle Panels - Cut 2 Basic White cardstock to approximately 4-1/2" x 3-1/4"
  - Stamped and/or die cut flowers - Scraps of Basic White, Shy Shamrock, and Pretty in Pink
  - Sentiment Label - Small scraps of Petunia Pop and Basic White
  - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Start by cutting and scoring the DSP to 11-3/4" x 5-1/4". You will need to score the Designer Series Paper along the long edge at 1-3/4", 4-3/4" and 7-3/4". **Caution: Designer Series Paper is not as thick as cardstock. When scoring the paper take care not to press too hard to create the scorelines, otherwise you may damage the paper.**
- The 1-3/4" scoreline is a valley fold
  - The 4-3/4" scoreline is a mountain fold
  - The 7-3/4" scoreline is a valley fold.
  - When folded closed the 1-3/4" scoreline sits on top of the card front. Use liquid glue or Stampin' Seal on the back of the 1-3/4" section and adhere down. This creates the Z Fold. If you left this section unglued it would be an Accordion Fold card.
  - With the Designer Series Paper folded closed and the 1-3/4" section sitting on top, adhere the folded DSP to the front of the Peach Pie mat, then adhere this to the 5-1/2" x 4-1/4" card base.

3. Using the third from largest Deckled Rectangle Dies, cut 2 panels from Basic White

cardstock. On one of the rectangles, use the small multi-flower detailed image to second-generation stamp the flowers across the rectangle using Pretty in Pink ink. Once flowers have been stamped across this panel, adhere the left side of the rectangle to the closed card front and center the rectangle from top to bottom and left to right. **Caution: Do not apply any adhesive to the right side of this panel where it may come in contact with the inside of the card.**

4. On a scrap piece of white cardstock, stamp the large single flower image from the Flowers of Beauty Stamp Set two times. This flower is a two-step stamp. Stamp the detailed image in Petunia Pop ink, then stamp the fill of the flower image in second-generation stamped Petunia Pop ink. Use the two-step stamps from the same stamp set to stamp the smaller flower in Petunia Pop ink by stamping the detailed image, then second-generation stamping the fill image. Use the stamen stamp and stamp the stamens in the centers of the two larger flowers using Tuxedo Black Memento Ink. Use a black marker to dot the stamens onto the center of the smaller flower. Use the Flowers of Beauty Dies to cut out the stamped images.

5. Use the Flowers of Beauty Dies to cut out the following:
  - Die cut 2 multi-leaf images from Shy Shamrock cardstock
  - Die cut 3 of the small slender sprigs from Pretty in Pink cardstock. Note that this die cuts 1 small and 1 larger sprig at a time and there are two of these dies in the set so you will have a total of 4 of the sprigs but will only need 2 large and 1 small sprig for this project.

6. Using the Unbounded Love Dies, die cut the smallest scalloped rectangle label once from Petunia Pop cardstock and once from white cardstock. This die cuts a frame and center at the same time. You will use the Petunia Pop frame and the white center for this project. You can set aside the unused pieces for a future project. Use the Unbounded Love Stamp Set and stamp the "friend" sentiment onto the white label using Petunia Pop ink. Turn the sentiment label and frame over to the back side and fit the white label inside of the frame. Use Stampin' Dimensionals to hold the frame and center pieces together.
7. Adhere the two Shy Shamrock multi-leaf sprigs to the rectangle on the card front using liquid glue. The bottoms of the stems on these die cuts meet at the bottom center of the stamped deckled rectangle. Adhere the three Pretty in Pink sprigs to the rectangle and position them between the two Shy Shamrock sprigs. Arrange the three stamped and die cut flowers towards the bottom center of the deckled rectangle on the card front and adhere these to the rectangle using Stampin' Dimensionals.
8. Cut a length of White Diagonal Trim to approximately 5" long. On a protected work surface, use the dark shade of a Petunia Pop Stampin' Blend to color the Diagonal Trim. **Caution: Allow the trim to dry completely before placing it on your project!** Once the trim is dry, fold it in half and adhere the folded trim to the top left of the rectangle on the card front using Mini Glue Dots. Then, adhere the sentiment label over the trim using Stampin' Dimensionals.
9. On the remaining Deckled Rectangle, stamp the sentiment "Happy Birthday" from the Unbounded Love Stamp Set in Petunia Pop ink. Use the two-step image from the Flowers of Beauty Stamp Set to stamp the two-leaf image in Shy Shamrock ink. First stamp the detailed image in Shy Shamrock, then stamp the fill image in second-generation Shy Shamrock. Adhere this panel to the inside of the card. Important Note: The inside panel should not be visible when the card is fully closed.

10. Adhere three Petunia Pop 2024-2026 In Color Shimmer Gems to the card front.
11. On the envelope front, repeat stamping of the two-leaf image in Shy Shamrock ink.
12. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.

Here is the view of the back of the card. Using Designer Series Paper creates a card that is not only pretty from the front, but pretty from the back side as well!
