I used the Forever Forest Stamp Set and the Forever Forest Dies along with the Meandering Meadows 6" x 6" Designer Series Paper to create this masculine birthday card. The Meandering Meadows DSP really sets the mood on this card! Let's take a look.

Supplies:

- Forever Forest Stamp Set
- Forever Forest Dies
- Meandering Meadows 6" x 6" Designer Series Paper
- Everyday Greetings Stamp Set
- Greetings of the Season Dies
- Linen Thread
- Purple Fine Shimmer Gems
- Cardstock: Night of Navy, Highland Heather, Basic White
- Ink: Night of Navy, Highland Heather

1. Card Cuts:

Forever Forest Masculine Birthday Card

Project Sheet - Jul 23 2024

- Card Base - Cut 1 Night of Navy cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
 - DSP Panel - Cut 1 Meandering Meadows Designer Series Paper to 5" x 3-3/4"
 - Outside & Inside Mats - Cut 2 Highland Heather cardstock to 5-1/8" x 3-7/8"
 - Die Cut trees and boulders - Scraps of Night of Navy and Highland Heather cardstock
 - Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere the DSP Panel to one of the Highland Heather mats, then adhere this to the card front using liquid glue or Stampin' Seal. I chose one of the "B" sides from the paper pack for a more muted scene.
 3. Using the Forever Forest Dies
 - Use the detailed pine tree dies to die cut a total of 5 trees from Night of Navy cardstock. I used the smallest to the second from largest dies.
 - Die cut 2 small and 1 large boulder from Highland Heather cardstock
 4. Arrange the die cut trees and boulders onto the bottom of the card front. I placed the three largest trees on the left side of the card and the two smaller trees on the right side of the card. The largest boulder gets slightly tucked under the tree on the left and the two small boulders sit on top of the two smallest trees on the right. Use liquid glue to adhere these to the card front.
 5. Prepare the sentiment label
 - Use the Everyday Greetings Stamp Set to stamp the "On you" and "Big Day" sentiments onto a scrap piece of white cardstock. Use the smallest rectangular die from the Greetings of the Season Dies to cut out the sentiment.
 - The Highland Heather banner sitting under the white sentiment label was created by die cutting the arrow shaped die from the Greetings of the Season Dies. To create this banner, I repositioned the arrow die over the previously die cut label, lined up the sides of the die so that the banner end was just below the previously cut arrow end, then I ran the piece through my Stampin' Cut & Emboss Machine again to create the banner piece. Adhere the banner behind the white sentiment label and center.

6. Adhere the sentiment label to the top left of the card front using Stampin' Dimensionals.
7. Using the Everyday Greetings Stamp Set, stamp the "Birthday" "Wishes" sentiments at the top of the inside panel in Night of Navy ink. Then stamp the "Love you" sentiment just below the first sentiment in Night of Navy ink. Use the Forever Forest Stamp Set to stamp the image of the five trees across the bottom of the panel in Night of Navy ink. Stamp the image of the stars and moon in Highland Heather ink just above the sentiments. Adhere the panel to the remaining Highland Heather mat, then adhere this to the inside of the card.

8. On the envelope front, partially stamp the trees in Night of Navy ink, then stamp the stars and moon above the trees in Highland Heather ink.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Tie a small double bow from Linen Thread and adhere the bow to the right of the white sentiment label on the card front using a Mini Glue Dot.
11. Adhere three Purple Fine Shimmer Gems to the card front to complete the project.

This completes the card! While I'm calling this a masculine birthday card, it can easily be given to anyone who appreciates nature. Products used to create this card are included on the next page.
