## 1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 8-1/2" x 5-1/2" and score at 4-1/4"
- DSP Panel - Cut 1 striped print from the Countryside Inn Designer Series Paper to 5-1/2" x 4-1/4"
- Outside Octagon Mat - Cut 1 Basic White cardstock to approximately 5-1/2" x 3-3/4". Use the largest die from the Countryside Corners Dies to cut out.
- Watercolor Panel - Cut 1 from Fluid 100 Watercolor Paper to approximately 4-3/4" x 3-1/8". Use the second from the largest Countryside Corners Dies to cut out.
- Sentiment Label - Cut 1 Basic White cardstock to approximately 3" x 3/4"
- Inside DSP Mat - Cut 1 striped print from the Countryside Inn Designer Series Paper to 5-3/8" x 4-1/8"
- Inside Octagon Panel - Cut 1 Basic White cardstock to approximately 5-1/2" x 3-3/4". Use the largest die from the Countryside Corners Dies to cut out.
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. Adhere the DSP Panel measuring 5-1/2" x 4-1/4" to the front of the Thick Basic White card base using liquid glue.

3. Stamp the sentiment "From our home to yours" in Misty Moonlight ink onto a scrap piece of white cardstock. Die cut the sentiment label using the slender banner die from the Stylish Shapes Dies set. Set aside for now.

4. On the watercolor panel measuring 4-3/4" x 3-1/8", stamp the house and tree images using Pebbled Path ink. Stamp the images approximately one third down from the top of the panel. The house was stamped on the right and the tree to the left of the house.

5. Prepare the stamped image for water coloring:

- I blotted my ink pads on acrylic stamping blocks and applied a little water to the inks using a watercolor brush. But you can also use re-inkers and just drop a drop or two of each ink color onto a palette. A little ink goes a long way.
- If using a Water Painter, use the smallest brush. There are very tiny details on this stamped image. Take your time and have fun!
- You will need a small container of clean water to clean your brush between ink colors. You will also need a dry paper towel to test color strength and to remove excess water from your brush.
- It is a good idea to protect your work surface! I painted this image on top of my Glass Mat, which can be wiped clean when I'm done painting.

6. Painting the stamped image:

- Windows - Daffodil Delight
- Roof - Pebbled Path
- House Siding - Boho Blue
- Window Frames, Porch Rails and Trim on House - Misty Moonlight
- Foundation of House, Stairs and Chimney - Copper Clay
- Trees - Paint first in Granny Apple Green and while still wet, paint in some Mossy

Meadow to add shadow areas

- Base of Tree and Tree Trunk - Pebbled Path
- Sky - Balmy Blue. While sky is still wet use a bunched-up paper towel to lift small areas in the sky for clouds if desired. If the paint won't lift, try adding clean water in a cloud shape, then blotting with a paper towel.
- Yard - Combination of Granny Apple Green and Mossy Meadow for grass and shrubbery. Copper Clay for the pathway. I added some additional shrubbery around the house and behind the tree on the left. I also added a pathway from the base of the steps and turning to the right, but this is optional. I also mixed Granny Apple Green and Mossy Meadow together and painted in darker areas here and there for some added interest.

7. Use the second from largest die from the Countryside Corners Dies to cut out the watercolor image after it has dried completely. Adhere the watercolor panel to the white octagon mat previously cut, then adhere this unit to the card front using Stampin' Dimensionals.
8. Adhere the sentiment label to the lower right of the card front using a combination of liquid glue and half of a Stampin' Dimensionals (on the right). The right edge of the label will hang

off of the matted watercolor panel.

9. Tie a double bow from Linen Thread and adhere the bow to the left side of the sentiment label using a Mini Glue Dot.
10. Use the largest die from the Countryside Corners Dies to cut out the inside panel from white cardstock. Stamp the "Thank You for your hospitality" sentiment in Misty Moonlight ink. Then partially stamp the image of the row homes onto the lower left in Misty Moonlight ink. Adhere the inside designer series paper panel to the inside of the card, then adhere the inside panel to the inside of the card.

11. Partially stamp the row home image in Misty Moonlight ink onto the front of the envelope.
12. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
