- Ink: Blackberry Bliss, Fresh Freesia

1. Card Cuts:

- Card Base - Cut 1 Gorgeous Grape cardstock to 11" x 4-1/4" and score at 5-1/2"
- Outside & Inside Mats - Cut 2 pieces of Blackberry Bliss cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 floral print in Gorgeous Grape from the Perennial Lavender Designer Series Paper to 4-1/2" x 3-1/4"
- Sentiment - Cut 1 Basic White cardstock to approximately 1-5/8" x 1-5/8"
- Die Cut Floral Pieces - Scraps of Soft Sea Foam, Berry Burst, Fresh Freesia and Basic White
- Inside Panel - Cut 1 Basic White cardstock to 4-1/2" x 3-1/4"
- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. On one of the Blackberry Bliss Mats, use the Painted Texture 3D Embossing Folder to emboss the panel. Adhere the DSP Panel measuring 4-1/2" x 3-1/4" to the embossed panel and center it from top to bottom and left to right. Then adhere this unit to the card front.

3. On a scrap piece of white cardstock, stamp the "thank you" sentiment from the Something Fancy Stamp Set in Blackberry Bliss. Use the smallest square die from the Perennial Postage Dies to cut out the sentiment. Set aside for now.

4. Die cut the floral pieces for the card front (refer to photos for reference):

- Die cut two large leaf sprigs from Soft Sea Foam cardstock
- Die cut two flower sprigs from Berry Burst cardstock
- Die cut two flower sprigs from Fresh Freesia cardstock
- Die cut three slender leaf sprigs from Basic White cardstock

5. Adhere the sentiment label to the lower left corner of the DSP Panel on the card front using Stampin' Dimensionals. Apply Stampin' Dimensionals to only the bottom and left side of the sentiment label. this will allow you to tuck the die cut florals under the sentiment. You can go back and tuck an additional Stampin' Dimensional under the sentiment label later, if needed.
6. Arrange the die cut florals so that they radiate from the top right corner of the sentiment label. Once you are satisfied with the arrangement, adhere the florals down using a small amount of liquid glue. Trim the ends of the floral pieces as needed.
7. Cut a short length of Silver & White Sheer Ribbon and fold the ribbon in half. Tuck the folded edge of the ribbon under the right corner of the sentiment label and adhere down using Mini Glue Dots tucked under the label. Trim the ribbon ends as necessary.
8. Tuck an additional Stampin' Dimensional under the sentiment label if needed.
9. On the Inside Panel stamp the "May the good you do come back to you" sentiment from the Something Fancy Stamp Set in Blackberry Bliss ink. Stamp the tall slender floral image from the Painted Lavender Stamp Set across the bottom edge of the panel in Fresh Freesia ink. Clean the stamp off, then second-generation stamp the same image again across the bottom of the panel in Blackberry Bliss ink. Stamp only half of the image in Blackberry Bliss ink.

Adhere the panel to the remaining Blackberry Bliss mat, then adhere this to the inside of the card.

10. Repeat stamping of the tall slender floral image onto the envelope front using Fresh Freesia and second-generation stamped Blackberry Bliss.
11. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
12. Adhere three Blackberry Bliss Purple Fine Shimmer Gems to the card front.
