1. Cut 1 Real Red cardstock to 8-1/2" x 5-1/2" and score at 4-1/4" for the card base.
2. Select a green, red and white striped card from the Reindeer Days Memories & More Card Pack and cut it down to 5-1/4" x 4". Adhere this to the card front.
3. Select the plaid frame card from the Reindeer Days Memories & More Card Pack measuring 3" x 4" and adhere this to a piece of Granny Apple Green cardstock measuring 3-1/8" x 4-1/8". Adhere this to the center of the card front.
4. Use the Reindeer Fun Dies to cut out 1 leaping reindeer from the Reindeer Days 12" x 12" Designer Series Paper. Adhere the reindeer at an angle at the top left corner of the plaid card frame using Stampin' Dimensionals.
5. Using the Reindeer Fun Dies, cut 1 small and 1 large sleigh bell from Gold Foil Sheets. Adhere the bells to the lower right corner of the plaid card frame. Tie a small bow from Real Red & White Baker's Twine and adhere the bow at the top of the bells using a Mini Glue Dot.
6. From Basic White cardstock, cut an inside panel measuring 5-1/4" x 4". From the Reindeer Fun Stamp Set, stamp the sentiment in Real Red ink towards the top of the panel. Stamp the Christmas tree image in Granny Apple Green ink onto the lower left corner of the panel. Stamp snow above the tree using Pool Party ink. Adhere the panel to a piece of Granny Apple Green cardstock measuring 5-3/8" x 4-1/8" then adhere to the inside of the card.
7. Stamp the Christmas tree onto the envelope front in Granny Apple Green ink. Stamp the snow above the tree in Pool Party ink.
8. Repeat stamping of the tree and snow on the center of the envelope flap to complete the card.

1. Cut 1 Granny Apple Green cardstock to 8-1/2" x 5-1/2" and score at 4-1/4" for the card base.

to the card front using Stampin' Dimensionals.

3. Using the Reindeer Fun Dies, cut 1 bow from Gold Foil. Adhere the bow to the top of the tree.
4. Locate the "Merry Christmas" sticker from the Reindeer Days Memories & More Card Pack. Adhere the sticker to the lower right of the card front. You will need to place one Stampin' Dimensional underneath the right side of the sticker since this edge falls off the elevated card panels.
5. Cut the inside panel to 5-1/4" x 4" from Basic White cardstock. Stamp the "Christmas is better Together" sentiment from the Reindeer Fun Stamp Set in Granny Apple Green ink towards the top of the panel. Use the small holly leaves and berries stamps and stamp holly along the bottom edge of the panel four times and once above the stamped sentiment. Stamp the holly in Granny Apple Green ink and the berries in Real Red ink. Adhere the panel to the inside of the card.
6. Repeat stamping of the small holly and berries images onto the envelope front and envelope flap. I stamped these on the envelope front three times and once on the envelope flap.

The Reindeer Days Memories & More Card Pack make for quick and easy cards and the card pack coordinates with the Reindeer Days Suite!
