- Circle - Cut 1 Real Red cardstock to approximately 2-3/4" x 2-3/4"
 - Red Strip - Cut 1 Real Red cardstock to 5-3/8" x 1"
 - White Strip - Cut 1 Basic White cardstock to 5-1/4" x 1"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 3-1/8"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere the 5-3/8" x 3-1/8" piece of holly print designer series paper to the top of the card front making sure to leave even spacing between the edges of the DSP and the card base edges. Adhere the 5-3/8" x 7/8" piece of holly print designer series paper to the inside bottom portion of the card front leaving equal spacing around the DSP.
 3. On the 5-1/4" x 1" white cardstock strip, stamp the "Christmas is better Together" sentiment from the Reindeer Fun Stamp Set in Real Red ink. Be sure to stamp the sentiment to the far right of this strip. Place a small pencil mark at the bottom of the strip just to the left of the word "Together". Line up the pencil mark on your paper trimmer and make an angled cut towards the right. Adhere the left side of the cut white strip to the left side of the Real Red strip measuring 5-3/8" x 1", then adhere the right side of the white strip (the portion with the stamped sentiment) to the right side of the Real Red strip. This creates a strip of red showing between the white strip. Adhere the strip unit to the bottom of the 3-1/8" portion of the card front using liquid glue. I lined up the bottom of the strip unit to the bottom of the designer series paper.
 4. Use the second from the largest Stylish Shapes circle die to cut out a circle from Real Red cardstock. Use the same die to partially cut a circle (about a 1/3) from the long edge of the designer series paper panel measuring 5-3/8" x 2". This small cut out will help you to insert and remove the gift card holder. Set the full Real Red circle and the gift card holder panel aside for now.

5. Using the Reinder Fun Dies, die cut the following and follow any additional directions.

- Die cut the reindeer head pieces from Early Espresso, Basic White and Pecan Pie cardstocks using the diagram below as a guide.
- On the white reindeer head die cut, use a Petal Pink Stampin' Blend to shade the inside of the reindeer's ears.
- Adhere the white reindeer head to the Early Espresso reindeer head, then adhere the Pecan Pie reindeer head to the top of this unit to create the reindeer. The pieces match up perfectly!
- Die cut 1 wreath from Granny Apple Green cardstock.
- Die cut a bell from Gold Foil Sheets. I used the smaller of the two bells on my project. Use a length of Real Red & White Baker's Twine and thread the twine through the top of the bell then tie a small bow.
- Insert the bottom of the reindeer head inside of the wreath and adhere with a small amount of liquid glue.

6. Adhere the wreath and reindeer head to the center of the die cut Real Red circle, then adhere the circle over the left side of the white strip on the card front using Stampin' Dimensionals. Use a small drop of liquid glue to adhere the bell and bow under the deer's chin.
7. Fully open the card and on the top section, use Tear & Tape along the left, bottom and right edges of the designer series paper gift card holder piece. Then adhere this to the upper section of the inside of the card.
8. On the inside panel, stamp the sentiment "May all your days be full of cheer" in Real Red ink. Use the small pine tree image from the Reindeer Fun Stamp Set and stamp the tree in Garden Green ink onto the corner of the panel. Use the dark shade of a Real Red Stampin' Blend to dot "ornaments" onto the tree. Use the small, dotted stamp to stamp snow underneath the tree using Pool Party ink. Adhere the panel to the inside of the card, just above the 7/8" strip of designer series paper.

10. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
11. Adhere three Iridescent Faceted Gems to the card front to complete the project.

This completes the card! How cute is this little reindeer?! I used only a fraction of the stamps and dies included in the Reindeer Fun Bundle. Some of the dies also cut out images from the Reindeer Days Designer Series Paper! So much fun!

Products used to create this card that are available now are included on the next page. Items from the Reindeer Days Suite Collection will be available for customer orders beginning on September 4.
