- Die Cuts:

- Watercolor Daisies - Cut 1 Basic White cardstock to 4" x 2-1/4"

- Die Cut Daisies - Cut 1 Wild Wheat cardstock to 4" x 2-1/4"

- Sprigs - Cut 1 Mossy Meadow cardstock to 4-1/2" x 2"

- Large Flower Center - Small scrap of Cherry Cobbler cardstock

- Inside Panel - Cut 1 Basic White cardstock to 4-1/8" x 2-5/8"

- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. Prepare and Assemble the Flowers & Leaf Sprigs:

- The top layers of daisies are water colored to create a distressed look. On a piece of white cardstock measuring 4" x 2-1/4", open the Wild Wheat ink pad then swipe the entire surface of the white cardstock with ink. Use a Water Painter or watercolor brush to drop water droplets across the inked surface. Use a paper towel to blot the water droplets and allow the panel to fully dry. Use the small and large detailed single daisy dies to cut out two flowers.
- From a piece of Wild Wheat cardstock use the largest die (the one that cuts three flowers and leaves at the same time) to cut out a small and large daisy. You will need to use your paper snips to cut these two daisies apart.
- Use the dark shade of a Cherry Cobbler Stampin' Blend to color in the center of the small daisy, then assemble the small and large daisies by adhering the watercolor daisies on top of the Wild Wheat daisies.
- Die cut 1 flower center from Cherry Cobbler cardstock and adhere this center to the large daisy using liquid glue.
- Die cut 2 leaf sprigs from Mossy Meadow cardstock.

4. Adhere the Wild Wheat print designer series paper panel measuring 4-1/8" x 2-5/8" to the second section to the left of the card base.
5. On the Inside Panel, stamp the sentiments "Dear friend" and "You've got this" in Mossy Meadow ink. First and second generation stamp the wheat image from the Autumn Expression Stamp Set onto the lower corner of the panel in Wild Wheat ink. Adhere the panel to the inside of the card.

6. On the front of the card (the left most panel) apply a small amount of Stampin' Seal to the middle right and adhere a short length of Wild Wheat Rustic Striped Ribbon to the Stampin' Seal.
7. Arrange the daisies and leaf sprigs onto the front section of the card. Adhere the small daisy to the card front using liquid glue. Adhere the large daisy to the card front using Stampin' Dimensionals. The Stampin' Dimensionals should only come into contact with the left-most panel. Adhere the leaf sprigs to the front section and tuck the ends under the large daisy using liquid glue.
8. First and second generation stamp the wheat image onto the envelope front.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Adhere multiple Faux Glass Dots to the card front to complete the project.
