This little thank you card uses the **Artful Amaryllis Bundle** and the beautiful **Regal Winter 12" x 12" Designer Series Paper**. The Artful Amaryllis Dies let you build your own flowers so once the die cutting was complete, I added some color with Stampin' Blends and this card came together quickly. I had lots of fun with this set! Let's take a look!

Foam

- Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere the Designer Series Paper Panel to one of the Berry Burst mats, then adhere this to the card front.
 3. Using the decorative floral strip die from the Artful Amaryllis Dies, center this die onto the Berry Burst cardstock strip measuring 3-1/2" x 3/4" and run this through your embossing machine.
 4. Stamp the "Thanks" sentiment from the Artful Amaryllis Stamp Set in Berry Burst ink onto a piece of white cardstock. Use the second from the smallest circle die from the Stylish Shapes Dies to cut out the sentiment.
 5. Use the Artful Amaryllis Dies to cut out the following:

6. On the Amaryllis flower petals, use Stampin' Blends in Flirty Flamingo, Berry Burst and Soft Sea Foam to color the images:
 - Use a Soft Sea Foam Stampin' Blend to color the center of the open flower and the small stamen piece.
 - Use the brush tip end of a light Flirty Flamingo Stampin' Blend to flick color from the centers of the petals outwards, but do not color the entire petal...leave some white on the ends of each petal.
 - Use the brush tip end of a light Berry Burst Stampin' Blend to flick color from the center of the petals outwards. The Berry Burst strokes should be shorter than the Flirty Flamingo strokes previously drawn.
 - Use a Stampin' Blend Color Lifter to slightly blur and blend the colors drawn onto the petals.

- On the two stamen pieces, use the dark shade of a Pumpkin Pie Stampin' Blend to color just the tips of the stamens.
7. Assemble the three flower units (1 open flower, 1 side view flower and 1 bud), then adhere the pieces to the card front.
- Use liquid glue to assemble the open flower pieces together.
 - Stampin' Dimensionals were used to assemble the side view flower.
 - Liquid glue was used to adhere the bud pieces together.
 - Adhere the Granny Apple Green flower stem to the card front. You will need to trim the bottom of the stem slightly. Then adhere the leaf unit at the base of the flower stem.
 - Adhere the side view flower to the left of the stem using liquid glue.
 - Adhere the open flower in the middle so that it covers the two stem points. Adhere this flower with Stampin' Dimensionals. Adhere the bud to the right of the stem using liquid glue.
 - Adhere a stamen piece on the open flower and the side view flower.

8. Fold a length of Blackberry Bliss & Gold Textured Ribbon and adhere the folded ribbon over the base of the flower leaves and stem using Stampin' Seal.
9. Adhere the Berry Burst embossed strip over the base of the flower stem and leaves using Stampin' Dimensionals. The left edge of the strip should be flush with the left edge of the DSP Panel.
10. Adhere the sentiment label over the embossed strip and to the left using liquid glue.
11. On the inside panel, stamp the sentiment "You made my day" in Berry Burst ink. Partially stamp the flower image onto the lower corner of the panel using Tuxedo Black Memento ink. Use Stampin' Blends in Flirty Flamingo, Soft Sea Foam, Berry Burst, and Granny Apple Green to color in the flowers and leaves. Adhere the panel to the remaining Berry Burst mat,

then adhere this to the inside of the card.

12. Repeat partial stamping of the flower image onto the envelope front and color as you did in Step #11 above. Caution: Place a piece of scrap paper or cardstock inside of the envelope before coloring to avoid bleed through of the Stampin' Blends.
13. Adhere three Petunia Pop Pearls to the card front.
14. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
