- Birdhouse - Cut 1 woodgrain print from the Country Woods Designer Series Paper to approximately 4" x 3-1/2"
 - Birdhouse Trip - Scraps of Granny Apple Green and Gold Foil
 - Pine Boughs - Scraps of Mossy Meadow and Granny Apple Green cardstock
 - Flowers & Bow - Scraps of Poppy Parade cardstock
 - Sentiment Label - Cut 1 Granny Apple Green cardstock to 3-1/2" x 7/8"
 - Sentiment Label Mat - Cut 1 Gold Foil to 3-5/8" x 1"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - Envelope Flap - Cut 1 coordinating piece of cardstock to 6" x 2-1/4"
2. Adhere DSP Panel #1 to the front of the card base. Then adhere DSP Panel #2 to the front of the Mossy Meadow mat measuring 4-5/8" x 3-3/8". Adhere this unit to the center of the card front.
 3. Use the Country Birdhouse Dies to cut the following, then follow any additional instructions.
 - Cut 1 birdhouse from the woodgrain print from the Country Woods DSP
 - Cut 1 birdhouse roof from Granny Apple Green cardstock. Adhere the roof to the top of the bird house.
 - Cut 1 birdhouse trim from Gold Foil. Adhere the trim piece just below the birdhouse roof.
 - Cut two sets of large flowers and 1 set of small flowers from Poppy Parade cardstock. Adhere the flower pieces together to form a total of three flowers.
 - Cut 1 bow from Poppy Parade cardstock. Adhere the bow just under the birdhouse roof peak. Do not glue down the ends of the ribbon.

4. Adhere the birdhouse to the card front using Stampin' Dimensionals. Be sure to leave room for tucking in pine boughs when applying the Stampin' Dimensionals to the back of the birdhouse. Center the birdhouse from top to bottom and left to right.
5. Stamp the "Merry" and "Christmas" sentiments from the Greetings of the Season Stamp Set

onto the sentiment label in Garden Green ink. Adhere the sentiment label to the Gold Foil mat, then adhere the sentiment label to the card front using a combination of Stampin' Dimensionals and liquid glue. Position the sentiment label just above the base of the birdhouse.

6. Use the Golden Greenery Dies to die cut two small pine boughs from Granny Apple Green cardstock and two pine boughs from Mossy Meadow cardstock. Tuck two pine boughs under the left side of the birdhouse roof and two pine boughs just under the lower right of the birdhouse roof. The pine boughs on the right will slightly overlap the sentiment label. Adhere one of the flowers to the peak of the birdhouse roof using liquid glue. Adhere the remaining two flowers using Stampin' Dimensionals as shown in the photos.
7. On the inside panel, stamp the "It's the most wonderful time of year" from the Greetings of the Season Stamp Set in Garden Green ink. Use the two-step pine bough stamps from the Golden Greenery Stamp Set to stamp pine boughs in the upper right and upper left corners of the panel in Granny Apple Green and Garden Green ink. Adhere the panel to the inside of the card.

8. Repeat stamping of the pine bough onto the envelope front.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Adhere three clear Drusy Adhesive-Backed Embellishments to the flower centers on the card front.
