This pretty Christmas Card is a CAS (Create and Share) from the September-December 2024 Mini Catalog with a few changes. I love the white background with the Pool Party, Lost Lagoon and Pretty Peacock...such pretty colors together! The sentiments and label are from the Christmas Labels Bundle. Let's take a look!

Supplies:

- One of a Kind Bundle
- Christmas Labels Bundle
- Silver & White Sheer Ribbon
- White Loose Snowflakes
- Cardstock: Thick Basic White, Basic White, Lost Lagoon, Pretty Peacock
- Ink: Pool Party, Lost Lagoon, Pretty Peacock, Night of Navy
- Stampin' Blends: Pool Party

1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Sentiment Label - Cut 1 Basic White cardstock to 2-3/4" x 1-3/4"
- Die Cut Snowflakes - Small scraps of Basic White, Lost Lagoon and Pretty Peacock cardstock
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"

2. On the card front I first stamped the dotted swirl image from the One of a Kind Stamp Set across the area in Night of Navy ink. I made sure to turn the stamp so that it was not stamped in the same direction each time. I then used the three smallest snowflake stamps from this stamp set to fill in around the rest of the card front. The snowflakes were stamped

in Pool Party ink. I then used a Pool Party Stampin' Blend to ink splatter ink across the card front.

3. Using the largest snowflake image from the One of a Kind Stamp Set, I first and second generation stamped this image in Lost Lagoon ink onto a scrap piece of white cardstock. I then used the coordinating dies from the One of a Kind Dies set to cut out the images using the outline snowflake die. I also die cut the following:

- 2 detailed snowflakes from Pretty Peacock cardstock
- 2 detailed snowflakes from Lost Lagoon cardstock
- 2 detailed snowflakes from white cardstock. I trimmed these two snowflakes a bit to give them a different look. I also used a Sponge Dauber to lightly brush the white snowflakes with Pool Party ink, leaving some white areas on the snowflakes.

4. I used the Christmas Labels Bundle to die cut the three-sectioned label from white cardstock. I then used the Christmas Labels Stamp Set to stamp the "Merry Christmas to you" sentiment onto the label in Pretty Peacock ink.
5. A length of Silver & White Sheer Ribbon was adhered diagonally to the card front using Stampin' Seal.
6. The two Pretty Peacock die cut snowflakes were adhered to the larger stamped snowflakes using liquid glue. I then arranged these snowflakes along with the other snowflakes across

the card front. The four smaller snowflakes were adhered to the card front using liquid glue and the two larger snowflakes were adhered using Stampin' Dimensionals. The sentiment label was adhered to the center of the card front using a combination of liquid glue and Stampin' Dimensionals.

7. On the inside panel I stamped the "Sending a flurry of happy wishes" sentiment from the One of a Kind Stamp Set in Pretty Peacock ink. The swirl image was stamped twice on the panel in Night of Navy ink, then the three small snowflakes were stamped in Pool Party ink across the panel. The panel was then adhered to the inside of the card using liquid glue.

8. I repeated stamping of the small snowflakes in Pool Party ink across the lower left corner of the envelope front and the envelope flap.
9. I used a Pool Party Stampin' Blend to color five White Loose Snowflakes. Two of these snowflakes were adhered to the sentiment label and the remainder were adhered to the card front using liquid glue.

This completes the card! I love taking inspiration from the Stampin' Up! catalogs and I thought this card was especially pretty!
