I created this elegant accordion fold Christmas card using the **Decorative Trees Bundle**, **Painted Trees 3D Embossing Folder** and the **Season of Elegance 12" x 12" Specialty Paper**. This card uses a minimum amount of supplies, too! Let's take a look!

Supplies:

- Decorative Trees Bundle
- Painted Trees 3D Embossing Folder
- Season of Elegance 12" x 12" Specialty Designer Series Paper, Cherry Cobbler & Gold Satin Ribbon
- Gold Foil Sheets
- Adhesive Sheets
- Cardstock: Cherry Cobbler, Basic White
- Ink: Cherry Cobbler, Wild Wheat

1. Card Cuts:

- Card Base - Cut 1 Cherry Cobbler cardstock to 8-1/2" x 5-1/2". Score at 2-1/8" and 4-1/4". The 2-1/8" score line is folded as a mountain fold and the 4-1/4" scoreline is folded as a valley fold.

- Embossed Panel - Cut 1 Basic White cardstock to 5-3/8" x 4"
 - Center Diamond - Cut 1 Cherry Cobbler cardstock to 2-5/8" x 2-5/8"
 - Center Diamond Mat - Cut 1 Gold Foil to 2-3/4" x 2-3/4"
 - Die Cut Tree - Cut 1 Basic White cardstock to 3-3/4" x 2-3/4"
 - Die Cut Tree Detail - Cut 1 Gold Foil to 3" x 2-1/4"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 2"
 - Envelope Flap - Cut 1 piece of Cherry Cobbler & Gold Season of Elegance Specialty Designer Series Paper to 6" x 2-1/4"
2. Score and fold the Cherry Cobbler card base. The 2-1/8" section of the accordion fold is the front of the card.

3. Use the Painted Trees 3D Embossing Folder to emboss the white panel measuring 5-3/8" x 4". I positioned the panel in the embossing folder so that the two largest trees would be embossed on the panel vertically. Once the panel is embossed, cut the panel lengthwise at the 2" mark so that you now have two embossed panels measuring 5-3/8" x 2" each. With the card base fully closed, adhere one of the embossed panels to the 2-1/8" section of the card base and the other to the far right on the inside of the card base. When the card base is closed these panels will be side by side.
4. Adhere the 2-5/8" x 2-5/8" Cherry Cobbler square to the 2-3/4" x 2-3/4" piece of Gold Foil. Turn the square to a diamond shape and glue only the left side of the diamond to the center of the 2-1/8" section of the card front. Center the diamond across the closed card base from top to bottom and left to right.

5. Using the Decorative Trees Dies, die cut 1 tree outline shape from white cardstock. Apply Adhesive Sheets to the back of the Gold Foil measuring 3" x 2-1/4" then die cut the decorative tree scroll. Adhere the Gold Foil scroll to the front of the white die cut tree. The decorative scroll piece is shorter than the outline of the tree. Use a pair of paper snips to trim the excess white cardstock at the bottom of the tree. Adhere the tree to the center of the diamond unit on the card front using Stampin' Dimensionals.
6. On the inside panel, use the "A very merry Christmas" sentiment from the Decorative Trees Stamp Set, and only ink up the words "merry Christmas" in Cherry Cobbler ink and stamp this at the top of the panel. Use the large tree outline image and partially stamp the tree along the bottom left of the panel in Cherry Cobbler ink. Use the small leaf and dot image and stamp this on the inside of the tree outline in Wild Wheat ink. Wild Wheat makes a great "gold"! Adhere the panel to the left side of the inside of the card base.

7. Repeat partial stamping of the tree outline in Cherry Cobbler on the card front and stamp the small leaf details on the inside of the outline in Wild Wheat ink.
8. Adhere a piece of Cherry Cobbler & Gold Season of Elegance Specialty Designer Series Paper to the envelope flap. Use a small pair of scissors or paper snips to trim the excess paper away from the flap.
9. Tie a small bow from Cherry Cobbler & Gold Satin Ribbon and adhere the bow to the top of the tree on the card front using a Mini Glue Dot.
