- Stamped, Embossed and Die Cut Flowers - Scrap of Basic White cardstock measuring approximately 4-1/2" x 3-1/2"
 - Die Cut Leaves - Scraps of Granny Apple Green cardstock
 - Die Cut Small Flowers - Scraps of Melon Mambo
2. On a scrap piece of white cardstock stamp the sentiment "Thanks for being so kind" in Melon Mambo ink. Use the round sentiment label die from the Happy Hibiscus Dies to cut out the sentiment. Set aside for now.
 3. Use the detailed leaf die from the Happy Hibiscus Dies to cut out a total of 5 leaves from Granny Apple Green cardstock. Use the small flower dies to cut out 2 small and 1 larger flower from Melon Mambo cardstock. Set aside for now.
 4. On the 4-1/2" x 3-1/2" piece of white cardstock, use the two-step stamps from the Happy Hibiscus Stamp Set to stamp first the outline image of the three hibiscus flowers in Melon Mambo ink, then stamp the fill for the three flowers using Bubble Bath ink. Place the die into the Happy Hibiscus Hybrid Embossing Folder until it sits snugly over the image of the three flowers then carefully place the stamped image of the three flowers into the folder and run through your embossing machine. The die combined with the hybrid embossing folder will both emboss and die cut the flowers images at the same time. Set aside the flowers for now.
 5. On one of the 5" x 3-3/4" white panels, use the Happy Hibiscus Hybrid Embossing Folder to emboss the panel. Adhere the panel to one of the Basic Black mats using liquid glue, then adhere this to the card front.

6. Use the provided photos as a reference to adhere the three stamped, embossed and die cut hibiscus flowers onto the card front using Stampin' Dimensionals. Then arrange the leaves around the three flowers, making sure to tuck the ends of the leaves under the flowers. Before adhering the leaves, I gently folded the leaves in half lengthwise to give them a little dimension. Next, adhere the three Melon Mambo small flowers onto the card front using liquid glue. Adhere the sentiment label onto the upper right corner of the card front using Stampin' Dimensionals.
7. On the inside panel, stamp the "You make me smile" sentiment in Melon Mambo ink towards the top center of the panel. Then stamp the crosshatch image in Bubble Bath ink on either side of the sentiment. Use the two step stamps to stamp only the large hibiscus flower onto the lower left corner of the panel. I carefully inked only the large flower in Melon Mambo ink, then used the fill stamp to stamp Bubble Bath ink over the image. Adhere the panel to the remaining Basic Black mat, then adhere this to the inside of the card.

8. Repeat stamping of the large hibiscus flower onto the envelope front using Melon Mambo and Bubble Bath inks.
9. Stamp the crosshatch image across the envelope flap using Bubble Bath ink.
10. Adhere a Melon Mambo Shiny Sequin to the centers of the three Melon Mambo flowers on the card front.
11. Cut a short length of Large Check Ribbon. Use a Bubble Bath Stampin' Blend to color the ribbon. Fold the ribbon in half and tuck the folded edge under the flower sitting on the left side of the card front. Use Mini Glue Dots to hold the folded ribbon in place.
