Here is another gift card option for your holiday gift giving! This gift card holder was created using the **Peaceful Evergreens Bundle** and the **Reindeer Days 12" x 12" Designer Series Paper**. The inside sentiment is from the **Sentimental Wishes Stamp Set**. One 8-1/2" x 11" piece of cardstock will create two of these gift card holders, too!

Supplies:

- Peaceful Evergreens Bundle
- Reindeer Days 12" x 12" Designer Series Paper
- Gold Foil Sheets
- Sentimental Wishes Stamp Set
- Stylish Shapes Dies
- Rhinestone Basic Jewels
- 2" Circle Punch
- Cardstock: Granny Apple Green, Garden Green, Basic White
- Ink: Granny Apple Green, Real Red
- Stampin' Blend: Real Red

- Gift Card Holder - Cut 1 Granny Apple Green cardstock to 8-1/2" x 4-1/4". Score at 1-1/4", 4" and 6-1/2"
 - Cut a piece of the Reindeer Days Designer Series Paper in the plaid print to 4-1/8" x 8". Place the paper with the long side up, and cut a 1-1/8" section, a 2-3/8" section, a 2-5/8" section and the remaining piece should measure 1-7/8". Cutting from one strip of paper measuring 4-1/8" wide will make the plaid pattern consistent across the gift card holder. You will need to be mindful of how you adhere each panel onto the gift card holder to make sure the pattern lines up. The measurements for each piece are below.
 - 4-1/8" x 1-1/8"
 - 4-1/8" x 2-3/8"
 - 4-1/8" x 2-5/8"
 - 4-1/8" x 1-7/8"
 - Belly Band - Cut 1 Granny Apple Green cardstock to 6-1/2" x 1-1/2"
 - Circle - Cut 1 Granny Apple Green cardstock to approximately 3" x 3"
 - Trees - Cut 1 Gold Foil and 1 Garden Green cardstock to 3" x 1-3/4"
 - Inside Panel - Cut 1 Basic White cardstock to 4-1/8" x 2-5/8"
2. Cut and score the gift card holder. All of the score lines should be folded as valley folds. With the 1/4" scoreline facing towards the top, fold up the bottom 2" section and adhere the DSP Panel measuring 4-1/8" x 1-7/8" to this flap. Use a 2" Circle Punch to partially punch along the top edge of this flap to form a thumb hole. Open this punched section to the reverse side and apply Tear & Tape along the left and right edges then fold the flap back up and adhere to form the gift card pocket.

3. Turn the gift card holder over to the right side, then adhere the remaining DSP Panels to the front. Be sure to adhere the panels so that the pattern lines up from panel to panel. Note: I used a corner round punch on the 1-1/4" top flap but this step is optional. If you use a corner rounder on this flap for your gift card holder you will want to first round the corners on the flap, then round the corners on the corresponding piece of designer series paper on one side (this is the DSP Panel measuring 4-1/8" x 1-1/8").

4. Use the Sentimental Wishes Stamp Set to stamp the "Have a very merry Christmas" sentiment in Real Red ink onto the inside panel. From the Peaceful Evergreens Stamp Set, use the smallest pine tree and stamp this in Granny Apple Green ink onto the lower left corner, then stamp one more time to the right of the first tree without reinking the stamp. Vary the height of the stamped trees. Adhere the panel to the inside of the gift card holder, just above the gift card pocket.

5. Close the gift card holder and turn it sideways. Carefully wrap the 6-1/2" x 1-1/2" belly band around the gift card holder and lightly crease the belly band around the gift card holder. You want the belly band to be snug enough to hold the gift card holder closed, but loose enough so that the belly band can be slid on and off of the gift card holder. Once satisfied with the fit of the belly band, adhere the two ends of the belly band together.
6. Use the second from largest circle die from the Stylish Shapes Dies to cut out a Granny Apple Green circle. With the belly band on the gift card holder and centered, center the circle over the front of the belly band and adhere into place using liquid glue or Stampin' Seal. Use the Peaceful Evergreens Dies to cut out 1 small, detailed tree from Gold Foil and 1 small tree outline from Garden Green cardstock. Adhere the Gold Foil tree to the top of the Garden Green tree. Use Stampin' Dimensionals to adhere the tree to the center of the circle on the belly band.

7. Use the dark shade of a Real Red Stampin' Blend to color 5 small Rhinestones. Adhere the Rhinestones to the tree.

This completes the gift card holder!
