5. Cut 1 small greenery image from the Storybook Garden Patch Dies from Granny Apple Green cardstock.
6. Adhere the DSP Panel to one of the Cajun Craze mats, then adhere the Calypso Coral circle to the center of the panel using liquid glue or Stampin' Seal. Wrap a length of ribbon around the bottom of the panel unit and secure the ends to the back of the panel using Stampin' Seal. Adhere the panel unit to the card front using liquid glue.
7. Arrange the turnip, carrot and cabbage onto the center of the Calypso Coral circle on the card front. Adhere the pieces using liquid glue. Note that the bottoms of the turnip, carrot and cabbage are slightly tucked under the wrapped ribbon. Tuck the die cut Granny Apple Green greenery behind the carrot and cabbage and secure with a little liquid glue.
8. Adhere the sentiment label to the lower right of the large circle using Stampin' Dimensionals. Adhere the garden trough towards the upper right of the sentiment label using liquid glue.
9. On the inside panel, stamp the turnip and carrot onto the lower right corner in Tuxedo Black Memento ink. Color the images as before using Stampin' Blends. Adhere the panel to the remaining Cajun Craze Stampin' Blend then adhere this to the inside of the card.

12. Tie a small bow using the Petal Pink Scalloped Ribbon and adhere the bow above the upper left of the sentiment label using a Mini Glue Dot.
